## A NOTE OF THANKS

We are thrilled to share the wonderful news that our annual SWEY fundraiser held on Saturday, April 29, 2023 was an outstanding success. We want to express our heartfelt gratitude to our sponsors and donors who contributed in order to make this milestone. We couldn't be prouder of all the participants who made this achievement possible.

**Sole Beneficiary of SWEY 2023:** MyGOAL, a nonprofit organization that supports families and individuals affected by autism and other intellectual disabilities throughout their lifespan. They pursue their mission by providing support, connections, and resources. Your unwavering support enabled us to raise funds for pursuing the year-round activities of MyGOAL

**Event Highlights:** SWEY 2023 started with the opening ceremony where the audience had the privilege of listening to a captivating presentation by the Founder of MyGOAL, Dr. Genevieve Kumapley, where she enlightened us about their mission, activities and the need for supporting families affected by autism. It was truly inspiring to witness firsthand the impact our fundraiser would have on improving the lives of those in need.

With the event itself brimming with excitement, all the participants showcased their incredible talents, expressing their creativity through speaking, writing, and artwork about spreading hope and kindness. The atmosphere was filled with optimism. Moreover, the thought-provoking icebreakers and fun-filled games engaged the young minds present, making the event both educational and entertaining.

SWEY 2023 received raving reviews from the participants, parents and sponsors for the meticulous planning, effective execution and prompt communication before, during and after the event.
